Nelsonville-York Technology Department

If you have had an account in the past, PLEASE do NOT fill this out again

Dear Parent(s)/Guardian(s):

   This year Nelsonville-York City School District had to change our student information software system.   The new system we have acquired is called "Infinite Campus". Infinite Campus is a state of the art software database and multifunctional system.   One of its features, called "Parent Portal" allows parent(s)/guardian(s) to login from anywhere you can access the internet. You have the ability to view the following: your child(s) grade book, district notices, building notices, teacher messages, calendar, etc. Parent(s)/Guardian(s) will also have the ability to select/unselect contact phone numbers and also request changes to addresses & phone numbers. Users will also have access to their student's current lunch balance. Most of the features listed above will be present when you first log in, others will be added as time permits.

(DISCLAIMER: If you have been emailed login information 2 or more times in the past (we have records) and still failed to create an account. You will NOT be sent an email for the 3rd consecutive year. You will need to come into the school and have your account set up.)

If you are interested (this is not mandatory, but is recommended) please fill out the information below and return to school with your child.

Parent/Guardian 1: Name (print):_____Email address:_____

Parent/Guardian 2: Name(print):_____Email address:_____
(if more than 2 Parent/Guardians wish to use the portal please contact the building principal)

Students in the household (print):_____

_____

_____

_____

_____

Parent/Guardian 1 or 2 **Signature**:_____**Date**:_____

Account information will be sent to the email accounts you list above, along with a link to the Portal
*There is also a link to the Portal from our district homepage: http://www.nelsonvilleyork.k12.oh.us

 *Mobile Device App: search "Infinite Campus Portal" , search district "Nelsonville-York City SD" *

 If you have any questions please email: Jay Saner – Technology Coordinator (jaysaner@nybucks.org)
                                or
                                Jason Andrews – Computer Technician (jasonandrews@nybucks.org)

PLEASE RETURN COMPLETED IF INTERESTED

Do Not fill out if you already have an account from previous years
