End of Course Exam Retake Procedures

For each of the seven end-of-course state tests, a student earns one to five graduation points. Students have the potential to earn a total of 35 points. **To meet this graduation option, a student must earn a minimum number of 18 points from the seven tests.**

This graduation option gives a student flexibility in accumulating 18 points. A high score on one test can balance a low score on another test. **A student must earn a total of at least four points on English tests, four points on math tests and six points on science and social studies tests.**

PERFORMANCE LEVEL	GRADUATION POINTS

Biology

End-of-Course Exam Retakes:

Nelsonville-York High School will administer retakes in a student's junior and senior years for those who have accumulated less than 17 total points and/or do not have the required points in a subject area. The guidance counselor will track points and meet with students prior to testing. Retakes will take place during the state's summer, fall and spring testing windows.

A student will use the higher score of any end-of-course test taken for meeting graduation requirements.

Students can request to retake a test during any of the state testing windows.
