

Closed Lunch Policy

Nelsonville–York City Schools has a closed lunch policy. Students are not allowed to leave school grounds during the lunch period, and are to report immediately to the cafeteria during their assigned period. Students may be excused for lunch off-campus only if a parent/guardian comes into the building and arranges for his/her release in the main office. Students may bring their lunch or purchase lunch at school. Students may be permitted to go to other supervised areas as determined by the administrator.

Students involved in community resource programs, community volunteer programs, independent study programs, or special projects outside the school building may be permitted to leave campus during the school day with prior written parental permission, and approval of the school administration.
